A composite image of a port at sunset. In the background, a large cargo ship is docked at a pier with several yellow gantry cranes. A white passenger airplane is flying in the sky above the ship. In the foreground, a long train of colorful shipping containers is on the tracks, and a blue forklift is in the yard. The scene is illuminated by the warm light of the setting sun, with a city skyline visible in the distance.

CIMC LOGISTICS

We create new value.
